# EXPLOSIONPROOF EMPTY ENCLOSURES

## QUICK SELECTION GUIDE

Revolutionize your control setup with our explosionproof empty enclosures from the GUBox 8265 Series and the CUBEx 8264 Series. These enclosures offer flexibility, safety, and reliability for housing electrical components in hazardous environments. Customize your entries based on your specific requirements, and ensure the safety and protection of your electrical components.

### CUBEx 8264 Series:

- Certifications: Class I, II Division 2, Zone 1, 21 (NEC®, Canadian Electrical Code, ATEX, and IECEx)
- Enclosure type: NEMA 4X and IP66 for robust protection against environmental elements
- Modular Design: Choose from eight enclosure sizes. All configurations come with hinges on the left side
- Material: Available in cast copper-free aluminum, ensuring longevity (Stainless Steel upon request)
- Mounting Convenience: All configurations come with mounting rails for easy installation
- Access: Featuring 90° corners and flat covers
